

Robotics & Automation (AM)

Times	Name	Topic
9.55-10.00	Lee Bristow, CTO, Phinity Risk Solutions	Opening Remarks
10.00-10.20	Chris Evans, Manager – Vertical Industry Group, Automation Systems Division, Mitsubishi	The Road to Digitalisation and Smart Manufacturing
10.20-10.40	François Disch, Industrial Automation Consulting Leader, Schneider Electric	The Future of Industrial Automation
10.40-11.00	Troy Barratt, Managing Director, BAMUK Group Ltd, Contracts Engineering Ltd, Furnitubes International Limited	Automation and Upskilling the Workforce
11.00-11.20	Roy Henderson, Director, SP Automation & Robotics	Can I Automate? Where do I start?
11.20-11.40	Paul Larking, Global Robotics & Automation Technical Specialist, 3M	Robotic Material Removal using Abrasives
11.40-12.00	Franziska Luckert, Associate & Chartered (UK) and European Patent Attorney, Marks & Clerk LLP	Protecting Innovative Robotic Technology using Intellectual Property
12.00-12.20	Melanie Martin, Senior Associate, Dentons UK & Ireland	Compliance Issues in AI & Robotics
12.20-12.40	Coffee Break & Networking	

IoT & Industry 4.0 (PM)

12.40-13.00	Salisu Uba FCIPS, Procurement & Supply Chain Consultant, NatQuest	Digital Supply Chain Transformation
13.00-13.40	Moderator: Lee Bristow, CTO, Phinity Risk Solutions Panellists: Ciara Mitchell, Head of Cyber at ScotlandIS, François Disch, Industrial Automation Consulting Leader, Schneider Electric & Chris Evans, Manager – Vertical Industry Group, Automation Systems Division, Mitsubishi	Digital Transformation in 2023 – A New Tech Order for Scotland
13.40-14.00	Ruth Sawers, Director - Business Operations, Dronamics	TBC
14.00-14.20	Anastasia Khatuntseva, Digital Connectivity Theme Lead, National Manufacturing Institute Scotland	Digital Transformation in Manufacturing: practical approach to Industry 4.0
14.20-14.40	Lee Bristow, CTO, Phinity Risk Solutions	Ethical Digital Transformation - Combining risk, automation & ethics
14.40-15.00	Conor McKay, Policy Manager, Cyber Resilience Unit, Scottish Government	The rise of the Grey Swan Attacks - what it means to manufacturing
15.00-15.20	Dr Stephen Harwood, Lecturer, Director & Author, TechnoForeSight / University of Edinburgh	Who is in the driver's seat and where is everyone else?
15.20-15.25	Lee Bristow, CTO, Phinity Risk Solutions	Closing Remarks

Scotland **Automation & Robotics Show**

sponsored by
 **THE NATIONAL ROBOTARIUM**
PEOPLE CENTRED :: INTELLIGENCE DRIVEN

 **SCOTLAND IOT & INDUSTRY 4.0**

 **THE NATIONAL ROBOTARIUM**
PEOPLE CENTRED :: INTELLIGENCE DRIVEN

 **NMIS**
National Manufacturing Institute Scotland

 **Scottish Engineering**

 **Scottish Enterprise**

 **SP Automation & Robotics**

 **HEXAGON**

 **BECKHOFF**
New Automation Technology
